HUM 102 013: Writing from Research

Course times and locations: Mondays and Wednesdays, 1:00pm-2:20pm, Faculty Memorial Hall 207

Instructor: Vanessa Phillips **Office Hours:** CULM 115, MW 12:00pm-1:00pm (or by appointment) **E-mail:** vphillip@njit.edu

Course Description

HUM 102 is an introduction to writing using both primary and secondary sources. While building on the skills you learned and practiced in HUM 101, HUM 102 asks you to develop research questions, find and cite sources, conduct your own primary research, and synthesize elements of research into coherent wholes. To do so successfully, you will be asked to understand and interpret sources and put them in conversation with each other, as well as correctly document and attribute them. Overall, the general purpose of this class is to set you up for research and writing success in your future courses, both inside and outside of your major.

The assignments in this class will help to culminate in a 2500 word (~10 page) problem-based research paper that addresses the broad topic of “helping humanity.” All the assignments throughout the semester, which include a research plan, proposal, rhetorical analysis, annotated bibliography, and research poster, will build up to this research paper.

Course Goals

- Explore and refine research topics
- Find, evaluate and choose sources effectively
- Practice writing from primary and secondary research, developing different types of research projects that use fieldwork, library, and online research methods
- Demonstrate knowledge of the conventions of bibliographic citation
- Demonstrate an understanding intellectual property, plagiarism, and the importance of distinguishing between source material and one’s own work.
- Draft, review, and revise multiple versions of a single writing project

Attendance

Attendance is critical to your success in this class. Participation in in-class activities and discussions is similar to the professional world. At a minimum, this means showing up on time, being prepared, and contributing to class discussions. Your level of engagement with the material will subsequently impact how much you get from the class.

You may miss two classes without penalty. Every subsequent unexcused absence will result in the deduction of participation points.

Students who expect to miss class for religious observances must submit to me a written list of dates that will be missed by September 13, 2019 (per university policy). More than six unexcused absences (three weeks of the course) will result in the automatic failure of the course.

Attendance on peer review days is **mandatory**. If you know in advance that you will miss one of these days, please meet with me to arrange an alternative solution.

Please check Canvas and contact your classmates for missed work.

Canvas

Access to all assignments, some readings, and class forums will be provided via the course Canvas site, located at <https://canvas.njit.edu/>

Please log into Canvas regularly to make sure you stay up-to-date with our class. All assignments must be submitted through Canvas.

Late Work

Assignments are due at the beginning of class unless otherwise specified. Late work will either not be accepted (except in the case of an excused absence) or be penalized. Should you know in advance that you have having trouble completing an assignment, please see me.

Drafts

Drafting and revising are critical to success in this class, and to that end, substantial work between drafts must be evident. Each draft will make up 5% of your final draft grade for the research paper, and failure to complete drafts will lower your final draft grade. If you were given notes during a peer review, or comments from me, their effect on your writing should be apparent. Spell-checking, addition, and format changes alone are not enough to constitute a revised draft. For a draft to receive full credit, it must meet the requirements outlined on the essay assignment (length, topic, format, and so forth).

Technology

If you need to get a hold of me email is my preferred method. I typically respond to your emails within 24 hours. Please plan accordingly. Remember to maintain an appropriate tone in all school-related correspondence. Include an appropriate SUBJECT line and your FULL name in all emails. I will not respond to emails that do not include the sender's name.

Cell phones should not be used during class unless needed for a specific activity. Please set them to silent as a courtesy to your classmates and instructor.

Laptops should only be open when we are drafting. For discussions and presentations they should remain closed.
